

Prescott Valley School Admission Policies & Procedures

Admission into Prescott Valley School is not limited based upon ethnicity, national origin, gender, income level, disabling condition, proficiency in the English language or athletic ability. The school does however limit admission to students within a given age group or grade level, as per classroom/building capacity.

Prescott Valley School may refuse to admit any student who has been expelled from another educational institution or who is in the process of being expelled from another educational institution.

Lottery, Waitlist & Rollover

Open Enrollment Lottery

Our open enrollment period is NOT first-come, first serve. If, for any grade level, the number of applicants exceeds the number of openings, there will be a lottery to determine enrollment and waitlist numbers. Only applications submitted during the OPEN ENROLLMENT PERIOD are included within that lottery pool. Lotteries will be held on March 24th and results will be available March 29th.

How the Waitlist Works

If your application was not chosen via lottery or your application was turned in after our open enrollment period, your student's application will be placed on our waitlist. When your application reaches the top of the list and a spot becomes available to you, PVS will notify you immediately. It is not possible for us to determine your child's chances of being offered a spot. Once our classes are full, any spots that open up are the result of student withdrawals. Although we typically see a number of spots open up during the start of school, we have no way of knowing in which grades spots will open up or how many spots will become available.

Roll-Over Policy

If your child is not offered a spot for the previous school year, and if your waitlisted application is eligible for rollover to the next school year waitlist, the school will notify you for upcoming open enrollment dates. The responsibility falls upon the applicant to contact the school to roll their application over. It is crucial you do not miss the Roll-Over deadlines set by the school to ensure your child's application is moved to next year's waitlist.

What happens to my previous waitlisted application if I roll over to the upcoming school year waitlist? If you choose to roll over your eligible waitlisted application to the upcoming school year waitlist, your previous year waitlisted application will still remain active for the remainder of the school year.

Priority Policy

Applications Eligible for Priority Status

The following types of applications are eligible for "Priority Status," and in the following order:

- Currently enrolled students
- PVS Faculty/Administration/Staff child or grandchild
- Applicants with siblings attending, alumni siblings, or alumni children
- Board member child or grandchild
- Confirmed rollover applicant from the previous school year
- Non-prioritized open enrollment applicants (by original lottery number)

Sibling/Child Priority Policy

Sibling/child priority only applies when the incoming applicant has a sibling/child that is officially enrolled, currently attending, or has graduated from PVS.

- A “sibling” is defined as an immediate family member, or a blended family member that resides under the same roof as the applicant or a child of a PVS graduate.
- If the sibling withdraws from the school before applicant is offered enrollment, priority status will be revoked.
- Priority status does not guarantee placement.

PVS Faculty/Administration/Staff Child Priority Policy

- The employee must be a parent or legal guardian of applicant or the applicant must live with the employee for at least 50% of the calendar year.
- The employee is responsible for notifying PVS of their priority status eligibility.
- If employment is terminated by employee or employer before applicant is offered enrollment at PVS, priority status will be revoked.
- Priority status does not guarantee placement.

PVS Board Member Child or Grandchild Priority Policy

- The board member must be the parent or legal guardian of applicant or the applicant must live with the board member for at least 50% of the calendar year.
- The board member must be an official, board-approved board member.
- The board member is responsible for notifying PVS of their submitted application and of their priority status eligibility.
- If the board member’s service on the board ends before the applicant is offered enrollment at PVS, priority status will be revoked.
- Priority status does not guarantee placement.

Kindergarten

Kindergarten Enrollment Policy

Students entering kindergarten for the upcoming school year must be five years old on or before December 31st of the current school year. There is no assessment for entrance into the PVS kindergarten program. The kindergarten program will follow the same enrollment process as 1st-9th grade students.

Capacity

Capacity Policy

The following factors will be considered by Prescott Valley School when determining capacity:

- Availability of staff members (i.e. administrators, teachers, other certified employees, classified employees, related service providers employed by PVS and related service providers contracted by PVS)
 Number of students already enrolled in relevant grade level, programs, and classrooms according to PVS’s established staff to student ratios.

- If a student's name is pulled in the open enrollment lottery, their acceptance is based on our current capacity.
