

Emergency Delays or Closure Details

Depending on weather conditions or other emergency situations, a decision may be made regarding school closures or delays. PVS will decide on one of the plans listed below, but if weather conditions worsen, a 2-hour delay could be changed to a school closure day. Please monitor the PVS website, www.pvschool.com for up to date information or check our Facebook page, www.facebook.com/prescottvalleycharter

Plan 1: School Closure Day

Students and employees will stay home and not attend school. Extra-curricular activities scheduled will be cancelled as well.

Plan 2: 2-Hour Shortened Day Schedule

General Information:

- All schedules will begin two (2) hours later.
 - Regular classes will begin two hours later than usual.
 - Buses will arrive at the bus stops two (2) hours later than usual. (For example, a bus pick-up time of 6:35 a.m. becomes an 8:35 a.m. pick-up time.)
 - Dismissal of school in the afternoon will be at the regular time.

Prescott Valley School is concerned about the safety of all and unnecessary loss of school time. Decisions to close or not to close school are made very early in the morning, before daylight. Be assured that any decision to close or delay school is carefully considered and made only after evaluating all available up-to-date information and reports. Your cooperation with these plans will be greatly appreciated.

NOTE: In the unlikely event of an early dismissal due to inclement weather, parents are encouraged to pick up their student(s) from school. Students will not be released before the regular dismissal time unless absolutely necessary due to severe weather conditions.

In advance, thank you for your cooperation in this matter. If you have any questions regarding this information, please call the school office at 928-772-8744.
