

PVS News for the week of August 19-23

K-4 Vision Screening

By Lions Club

Tuesday, August 20th

Members of the Lions Club will be onsite with their state of the art vision equipment to help screen all of our K-4 students. The Lions Club is a great resource for vision needs and we are thankful for their commitment to our community!

FALL Picture Day!

Thursday, August 22nd

United Portraits does not require pre-payment. All students will be photographed and proofs will be sent home the following week for ordering. Due to using a green screen – the photographer asks that students not wear green.

Do you need to sign up for the free/reduced meal program?

We encourage parents to complete the form online at

<https://family.titank12.com//H6AH5J>

We ♥ Referrals

There is no greater compliment than a referral! If you know of any families that are looking for a family-oriented school where they are more than a number – please invite them to visit our campus or fill out a pre-registration form online at www.pvschool.com/registration

PLEASE make sure they put your name on their application so you can earn FREE PVS SWAG!
